Take-A-Seat Fundraiser

Orangewood Academy is pleased to announce our new fundraising campaign to support the renovation of the Tolan Auditorium. You can play a role by participating in the Take-A-Seat Fundraiser. As a "Take-A-Seat" sponsor, you will become part of the history and vibrant future of the Orangewood Academy Music and Ministry department and our community. Every time you take a seat in the Tolan Auditorium or walk by as the audience is arriving, you will have the pleasure of knowing your generosity is making it possible for someone else to experience the unique joy of entertainment, understanding and self-discovery that comes only with the performing arts.

Spaces are limited so reserve your seat TODAY!
