

## OA 1<sup>st</sup> and 2<sup>nd</sup>. Grade Supply List for Online Learning

Welcome to Orangewood Academy. I am so glad you are going to be in my First and Second Grade Class!

I am sure you are excited to see some of your old friends and make new friends as well. I am sure you will have many online opportunities to talk and interact with your friends.

The following list contains all the supplies you will need to start school. You can find all these supplies at stores like Target and Walmart.

Monday, August 24 is the first day of school. Later, I will give you more information about how that first day will be.

I will do my best to make sure you can have a good experience in my class even if we can't meet face to face on that first day of school.

I can't wait to see you again or meet you if you are new to our school.
